

BELMONT BOWLS CLUB NEWSLETTER

February 2024

Hi all,

A number of Club Championship Events have been completed – congratulations to winners and runners up and thanks to all bowlers who entered these events.

The Club would welcome Members making themselves available to undertake either the Umpire's or Measurer's courses. For those interested, please place your name on the list in the registration shed.

Thank you to those Members who attended the recent coaching clinic held at the Club. Hopefully everyone gained from the experience. Thanks to Ash for arranging this.

Fantastic for the Club that we have 30 teams competing in the Oscars as well as having over 550 barefoot bowlers enjoying our greens and facilities over the current season. A big thank you to all those Members who have made themselves available to help during these events.

Entry Forms for the Ladies Triples, Men's Triples and Men's Minor Singles are currently posted in the registration shed.

"C" Green will re-open next week in time for the Western District Day on Sunday 18th February, which will allow for maximum entries on this popular day. Well done Jamie and his band of helpers.

Call me old fashioned, but I'm glad my mother was a woman.

Bev Clark - Marketing Director
