

BELMONT BOWLS CLUB NEWSLETTER

OCTOBER

Hi all,

Our October newsletter comes to you with hopes of a further easing of Covid restrictions. Hopefully we will receive updates shortly regarding the commencement dates for our upcoming Pennant season as well as our much anticipated Social Bowls days. At this stage, please remember the Clubrooms remain closed.

Unfortunately, due to Covid issues, Melbourne Cup activities have been cancelled this year. Hopefully 2022 will allow us back to 'normal' celebrations.

The Club is delighted to welcome 8 new members during the last 6 weeks. We look forward to you all joining us both on the greens and in the Clubhouse.

Exciting to see our new retaining wall, extra seating and fencing on D green.....now just for some landscaping to be completed.

Members will also notice the removal of gardens at the roadside of the carpark. This has been an area of constant work for our gardening group and will now be much more manageable.

Finally, I WONDERED WHY THE BASEBALL WAS GETTING BIGGER.....
THEN IT HIT ME!

Bev Clark - Marketing Director
